Bachelor of Science in PCM with a CGPA of 8.77

2016-2018

Pre-University

ALVA'S PU College

Completed PCMB with a strong academic performance & scored 86%.

SKILLS

- Python
- Machine Learning
- HTML & CSS
- MySQL
- Office 365 Tools
- AI Prompt Engineer
- Adaptability
- Team Collaboration

PROJECTS

Jul-2025

AI TUTOR

Developed AskGeNIE, an intelligent QA system that extracts accurate answers from lecture notes, research papers, and academic textbook PDFs using advanced NLP. Enables fast, reliable querying of complex documents for academic and professional use.

June- 2025

Internship -
Cojective Pvt Ltd

AI & ML

Preprocessed and analyzed an HR attrition dataset from a top MNC, building and evaluating ML models with key performance metrics. Developed an interactive Streamlit UI with dynamic charts for real-time attrition prediction and integrated a chatbot for insights. Deployed the application publicly via Ngrok for demo purposes.
